1. Summarize in a concise notation the accomplishments of your program. Include any pictures (that the Foundation may also include on their website) or marketing brochures for the program funded)

2. Identify the findings of your program as noted by your outcome measurements.

3. Provide a detailed budget of the funds obtained from the grant and the expenditures as noted in the format below. If there is a variance in the proposed budget and the actual, please discuss in detail below the itemized budget. (Failure to report will result in lack of future consideration for funding.)

2012 BUDGET EXAMPLE

Proposed		Actual	
Activity	Amount	Activity	Amount
Marketing	\$1000	Marketing	\$750

Also, if there are funds that were NOT expended please provide for the Foundation board information as to your desired use of the funds. (The Foundation Board of Directors retains the right to request that funds are returned to the Foundation.)

4. Please describe how any grant funds used for development increased your contributions?

5. Please describe how you used the knowledge gained from your attendance at the Non-Profit Management Seminar(s)

6. Please include photos (complete with captions) which relate to the program the Foundation is funding.
